EL DON

"WITH ONE AIM—TO SERVE STUDENT AND COLLEGE"

Volume XXXVII Santa Ana, California, Friday, June 1, 1962 No. 33

Commencement Activities Readied for Class of '62

Santa Ana College's forty-sixth annual graduation exercises will commence Sunday, June 10 at the First Christian Church of Santa Ana when 160 students attend Baccalaureate Services at 4 p.m.

Climaxing commencement activities will be the graduation exercises in Cook Gym Thursday afternoon, June 14 at 4 p.m.

Members of the Santa Ana College faculty will join graduates in a full academic procession for both the Baccalaureate Service and Commencement.

Dr. Gerald S. Bash, minister of the First Christian Church, will deliver the Baccalaureate address entitled, "Foundation for Living."

Three alumni achievement awards will be presented to prominent alumni at Commencement. Recipients of the awards are George A. Parker, president of the Orange County Title Company and First American Title Insurance and Trust Company; Miss Francis Hallman, principal microbiologist, University of California at Los Angeles Medical Center and Dr. Herbert T. Stroschein, dentist, and president of the Santa Ana College Board of Trustees.

This is the eighth year that Santa Ana College faculty has honored former students for their success after graduating from SAC.

Presentation of scholarships and awards to outstanding graduates will also highlight Commencement exercises.

Rental fee for caps and gowns is $2.00 payable at the Don Bookstore next week, Monday through Friday. Caps and gowns may be secured in E-4, on Wednesday, Thursday and Friday preceeding Baccalaureate.

Climaxing an activity-filled year, Santa Ana College Dons' Spring Banquet will be held at the Disneyland Hotel, June 13 from 7 p.m. to midnight.

Following a tradition of many years standing, the dinner-dance is to be held the evening before graduation. Student government and extra-curricula awards will be presented.

Persons with student body cards may purchase tickets from the Don Bookstore for $2.75 per person. Tickets without student body cards will be $3.75.

Dress will be semi-formal for women, and dark suits or dinner jackets for men.

Among the awards to be given are the El Don Gold Keys, by journalism chairman Carl Venstrom, who also will distribute the Del Ano awards.

Winners of the best prose and poetry appearing in the Tavern Post will be given awards by magazine advisor Donald Minnick.

John "Sky" Dunlap will present the Richard Robbins Memorial Award for the best editorial appearing in El Don.

Another highlight of the dinner-dance will be the announcement of the club winning the Inter-Club Council perpetual trophy, which is awarded to the club accumulating the most activity points in a year.

SAC's Drama Department will give awards to the best man and woman in the drama department this year.

Ernest Crain, advisor at SAC, will present the Bill of Rights Scholarship and awards. Making the National Freedom Foundations award will be A. C. Rubel of Los Angeles, representing the Foundation.

Distel Wins El Don Fall Editor Position

Dave Distel was named fall semester editor of **El Don** today by Carl Venstrom, journalism adviser.

Distel is presently sports editor of the award winning campus publication.

Distel has had considerable editing experience, serving in the top spot on the **Generator** while attending Santa Ana High School, as well as being assistant sports editor of **El Don** last fall.

The new editor received top honors at SAC's 1961 J-Day. In addition to taking awards in news column, news story and sports story categories, he was named as best journalist of the year, winning a $100 scholarship to SAC.

Distel continued his awards collection this year by taking second place in the sports column category in statewide junior college competition at the JAJC convention in Sacramento in March.

El Don's new editor is a member of the Orange County Press Club and has worked for the sports department of **The Register** for the past two years.

Staff appointments for the fall semester include **Fred Kinner as feature editor and Jon Keith as sports editor.**

Other members of the fall semester staff will be announced in September.

Del Ano Due In Early June

Del Ano for '62 is scheduled for distribution the "first week in June," according to co-editor Gail Yaffe.

Due to printing difficulties, no specific date can be set for the yearbook debut. Publications Center (B3) is designated as the major distribution center.

El Diario will publish dates as soon as they are available.

Yearbooks are free to all AS card holders. Ticket number 40 is the necessary toll.

Copies of **Tavern Post** will also be available for 50 cents or free with an AS card at the time of **Del Ano** distribution. A limited supply of the college literary magazine is still available.

★ News Briefs ★

Keith Luhnow and Larry Stuart were named Dons of the Year at last night's Spring Sports Banquet. (See story on page 4).

* * *

Tom Polk has been elected Circle K president for next semester. Vice-president will be Dennis Kahn; secretary, John Keil; and treasurer, Bob Sweeney.

* * *

This is the final issue of El Don this semester. Weekly publication will resume in September.

Graduation Calendar

JUNE

1 - 7—Tickets available for Spring Banquet. $2.75 with AS card, $3.75 without.
4 - 8—$2.00 rental fee for cap and gown payable at Bookstore.
6 - 8—Caps and gowns available in E-4.
10 —4 p.m. Baccalaureate in First Christian Church, adjacent to campus.
13 —7 p.m. Spring Banquet at Disneyland Hotel.
14 —10:15 a.m. Commencement rehearsal in Cook Gym.
4 p.m. Commencement exercises in Cook Gym.

Car Show Set For Weekend By FATA Club

Saturday and Sunday are the dates for SAC's Fourth Annual Car Show, to be held in the Technical Center, near the south entrance to the campus, from 11 a.m. to 6 p.m.

The show, sponsored by the Future Automotive Technicians of America, will feature antique car club, new car, and car club displays, in addition to entries by students and other individuals. It is open to the public free of charge.

According to Industrial Technology instructor George Sweeney, any automobile to be entered in the show must be submitted either today, between 3 and 7 p.m., or Saturday, between 8 and 11 p.m. The entry fee is $1.50, and no late entries will be accepted. Further information may be had by calling KI 2-7226 or JE 4-7262.

Classes to be judged are moderate, semi-and full custom, pick-ups, roadsters, and antiques. Judging will be done by local automobile dealers and businessmen, and prizes will consist of trophies and merchandise.

Which One Will It Be?

Eleven hopeful candidates for Woman of the Year, SAC's top women's award, wait breathlessly for tonight's program in Phillips Hall, where the winner will be announced. Candidates are (from front), Nellie Corpos, Joan Litrich, Judy Camblin, Storm Harvey, Susan Moore, Sue Pendleton, Judy Burks, Susan Mitchell, Carolyn Schrock, Carol Shipe and Zondra Lewis. (El Don Photo)

Confident Kauth Hopes For 'Polished' Council

By Carol Shipe
El Don Associate Editor

He's a tall young man — the typical college student with red hair, freckles and a winning smile.

But he is distinctive.

Bob Kauth is the Associated Students' President for 1962-1963. He is also a marine veteran of 10 years, a father of four children, a full time student at SAC as an engineering major—and all at 28 years of age.

Kauth has been active in student government since his entrance into Santa Ana College last fall. He served as freshman president first semester and on the Student Faculty Review Board second semester.

Confident Man

Kauth is a confident man. When he takes a job he is sure in his own mind that he "can do it."

"That's why I ran for ASB president," he smiles. "I enjoy undertaking a job when I know I can do it. I can do this one."

The Associated students evidently agreed. He had no competition when he announced his candidancy for the office a month ago.

With Kauth in the chair, student council members will find some changes being made.

Hands Off Policy

"The first thing," he states, "is to get the council members to keep their hands off the constitution and by-laws. The main problem we face is communication with the Associated Students. They need to know what is going on. They are entitled to know what is going on."

Kauth has several plans to improve communications. He plans to utilize the public address system in the cafeteria for announcements, to coordinate use of the El Don bell for special announcements and to use the portable PA system for spot announcements around campus.

Representatives Unknown

"Student council members are representatives of the Associated Students," Kauth stressed. "Yet, many students don't even know who the members of council are."

He plans to initiate a program where council members will be present at all academic and social functions for the ASB.

"After all," he says, "council members are supposed to be leaders. How can you expect the students to support these programs if their leaders don't."

He has already arranged to visit the orientation classes for freshmen in the first several weeks of school and personally invite the new students to attend student council meetings.

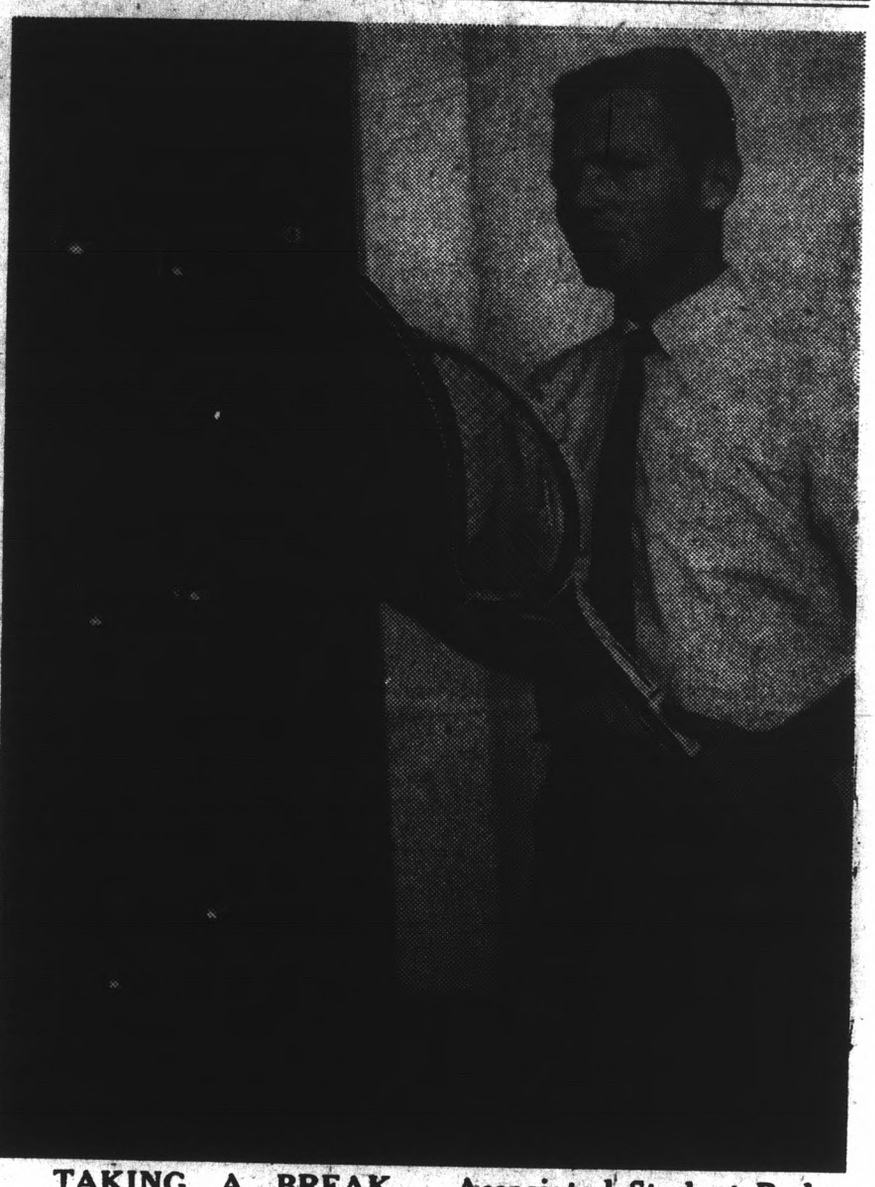

Formal Agenda

One of the biggest changes in the planning stages however is the preparation of a formal agenda for all council meetings.

According to Kauth, all Council action with the few exceptions of emergencies, will come from the execuitve board agenda meetings held several days preceeding the council meeting. Kauth states that the meeting times will be posted so that any student or council representative with a motion to bring before the ruling body can be placed on the agenda.

"Many of the problems in past councils have arisen because members were not fully aware of the implications of the problem before them. A formal agenda will solve this problem."

Previous councils have tried to follow a strict agenda and failed. Kauth and Company might be able to "pull it off."

TAKING A BREAK — Associated Student Body President-elect Bob Kauth relaxes during a break in his tight schedule. Kauth, a Marine veteran and the father of four children, has been active in many student activities since entering SAC last fall.
(El Don Photo)

Council Begins Examination Of AS Budget

Running a student government is big business.

Next Tuesday afternoon, the Santa Ana College Associated Student Council will consider the 1962-1963 Associated Student Budget.

The new budget presented to the student legislators, which amounts to $71,935.00, is one of the largest in the history of the college.

El Don reprints a copy of the budget (right) for you, the student reader, to study. It is the feeling of the El Don that the student of Santa Ana College should know where the AS money is going.

The budget printed in El Don is only a tentative budget. The committee, comprised of students and faculty members, has met for the past several weeks in order to construct a workable budget.

As usual the athletic department will get the major bulk of the budget. The athletic department has been given $30,308.00 with which to operate.

Associated Student Body card sales bring in the major portion of working money. The card sales give the students $33,200.00 worth of revenue.

Competition?

We're crushed! Our feelings have been trampled upon!

After Tuesday's unveiling of the El Don bell monument, we found out that the imposing structure was NOT dedicated to **El Don,** SAC's award-winning newspaper!

During the weeks of planning and construction, we were secretly rubbing our hands with glee, envisioning the perpetual trophy to **El Don** resting on the lawn next to the library. And, why not? There is no other activity in existence on campus with the specific title "El Don." We have held the monopoly on that moniker for something like 30 years now.

How pleasant it was to contemplate the significance of the bell monument in relation to this newspaper.

After all, has not this publication devoted itself to the sounding of clear, clarion tones that have radiated over the campus, community, county and state?

And the sturdiness of the building material alludes so well the strong foundation of sound judgement found in **El Don's** columns each week.

Anyway, we were all set to print a glowing editorial, thanking Circle K for dedicating their monument to us—in fact, we even attended the ceremonies, with expectation in our hearts.

Now we'll have to spend the summer making room in our thoughts for another El Don. This might not be too hard to do, though, as we noted that the monument is dedicated to the ideal of freedom, something to which the original **El Don** has been dedicated for more than a quarter of a century.

"BELLS ARE RINGING"! — SAC President Dr. John Johnson (right) examines the new El Don Bell Monument following a brief formal dedication Tuesday at noon. The monument was erected and presented to the student body by Circle K through Tom Polk, club vice-president. The inscription on the plaque reads "El Don Bell, Freedom Our Individual Responsibility." Polk said that the monument is to serve as a bolster to school spirit. The bell will be used to call students to campus activities, such as assemblies, Religious Emphasis and Bill of Rights Week observances, and special student functions. A large group of students, faculty, administrators and off-campus visitors attended the dedication ceremony. William Winterbourne, president of Downtown Santa Ana Kiwanis Club, sponsor of Circle K, looks on.

COUNCIL COMMENTS

Increase Seen In '63 Budget

By Fred Kinner
El Don News Editor

Spectators at last Tuesday's student council meeting were given a sneak preview of the 1962-63 budget.

A motion was made to okay the enlarged budget, but further discussion showed more time was needed for consideration of the proposed budget. The motion to consider the budget was tabled for the next meeting.

New Budget

The new budget is reported to be in excess of $10,000 more than the previous years' alotment. Biggest increases will go to the band and also will be used to cover increases in operating costs of **El Don**. Slight increases in other areas are also expected.

During the year the student council is periodically visited by political science classes which attend meetings as a class assignment to observe "Democracy in Action", Mr. Ernest Crain has taken the time to compile the reactions of the students to what they thought of the student council's affiliation with democracy.

Student Reaction

Varied student reaction went as follows: "Yes, I saw democracy in action. It wasn't the type of democracy I thought I would see, I expected to witness arguments, debates, and actual battles over the discussion table. At first I was disappointed, but then I realized that democracy wasn't bickering and arguments which seemed to be my opinion, but rather based on the idea of cooperation and consideration..."

Democracy ?

Another student stated, "Did I see democracy in action? No. I'm sure if you were to compare this group with the U.S. Congress, Congress would be insulted, and I'm sure the California State Legislature would be offended..."

Certainly neither of these reactions is without merit, but let us hope that those who criticize are not idle preachers. Let's hope they take active part in student government to achieve what they think democracy should be.

Five of Faculty Leave SAC At Springs End

With the closing of the spring semester five faculty members will leave the SAC campus one going as far as Istanbul, Turkey.

After 36 years of service Miss Agness Todd Miller has announced her retirement. First an instructor of English, Miss Miller became assistant dean of women, dean of women, and finally assistant dean of students, the position she now holds.

Long years of service will end for Ruth Bradley, head librarian, this term. She has resigned to accept an appointment as head librarian at the American College for Girls in Istanbul, Turkey.

Miss Dorothy Decker, who has been on the SAC campus since 1929, will take a one year's leave of absence. Miss Decker is an instructor in the business department.

The English department will be left with two vacancies. Cecil K. Snyder, after serving one year on our campus, is leaving to accept a postion at the University of California at Riverside.

Also after one year of service, Eugene Linton has resigned to go back to the University of South Dakota where he was an instructor before migrating to California two years ago.

Final Exam Schedule

8 MWF; 8-10 MWF; 8 MW; 8 MF; 8 daily; Wednesday, June 6; 8-11 a.m.

RECORD WRECKERS — After a season of devastating record books, Larry Stuart and Keith Luhnow were awarded co-Don of the Year awards last night at the spring sports banquet. Stuart holds the national junior college record in the javelin with a toss of 256-4, ranking second among the nation's spear tossers. Luhnow was a unanimous All-American choice at fullback after authoring a new Santa Ana and Eastern Conference rushing and total offense record book. (El Don Photo)

Luhnow, Stuart Take 'Don of Year' Award

Larry Stuart and Keith Luhnow were honored as Dons of the Year last night at the spring sports banquet in the student union.

Championship golf and track squads headed the list of teams honored, with wrestling, tennis, swimming and baseball also picking up letters. Former Santa Ana football coach Bill Cook was the guest speaker.

Swimming coach Myrel Moore announced that backstroke ace John Kamae had been selected to the All-American J.C. swim squad. He ranks among the top seven swimmers in the nation.

Pepper Aims, tennis player and sophomore class valedictorian, was the recipient of the Sky Dunlap Award for scholastic achievement. Aims has a 3.94 grade point average to lead all of this year's athletes.

Luhnow, now property of the San Francisco 49ers, rewrote Santa Ana and Eastern Conference total offense and rushing records during the football season. He rushed for 1,443 yards, scoring five touchdowns in one game against Orange Coast. He scored on runs of 72, 83 and 92 yards in the 47-16 win over Fullerton that gave the Dons the EC title.

Stuart bettered his own junior college national javelin record for the track squad while ranking number one in the nation for most of the year among javelin throwers. He has now flipped the spear 256-4.

Golf and track championship squads received jackets for their efforts. Coach John Ward gave his trophies to the trackmen who achieved their goals for the year. Coach Arlin Pirtle of the statewide sixth ranked golf team presented a trophy to John McGlone as the EC dual match individual champion.

SPOTLIGHT ON SPORTS

Track Prospects Bright for Future

By Dave Distel
El Don Sports Editor

Coach John Ward shouldn't be in very poor spirits when he glances at next year's prospects. Potential Eastern Conference champions include: Gilbert, 9.5 in the 100; Middleton, 21.0 in the 220 and 47.6 in the 440; Jim Conlay, mile or two-mile; Mike Harrington in the discus and Bob Grant, 205' in the javelin and 24' 2½" in the broad jump.

Conlay didn't have too bad a campaign on the track. He placed fourth in the state in the two-mile. Last fall he reigned as conference cross country king.

* * *

John Middleton, rags to riches Don quarter-miler, will be the third Santa Ana College student on the Southern California Strider squad.

Middleton will run with the Santa Ana mile relay squad Saturday night at the Compton Invitational, then join the Strider squad. National record-holding Larry Stuart and Johnny Gilbert are the other SAC students with the amateur club.

Middleton placed third in the state with a Santa Ana record 47.6 last week at Modesto. He has received a 47.4 relay time.

Gilbert, a football star at Santa Barbara High School a couple of years back, will be on the Don track squad next year after playing football. He has a sizzling best of 9.5 for the century.

'Elmer' Retires After 24 Years

By Jack Yraceburn
El Don Sports Writer

The most famous living Santa Ana College in 1963. monument in the Don sports world will be absent from

Elmer Bergeson has announced his retirement after portraying the dual role of equipment manager and trainer for Don teams the past 24 years.

Irreplaceable Hole

Forced to retire because of his wife's poor health, Bergeson will leave Santa Ana at the close of one of the Dons most successful sports campaigns, in which four EC championships were brought home.

Bergeson's retirement leaves an irreplaceable hole in the SAC athletic department. In addition to taking care of the needs of all Don squads, Bergeson was also in charge of handing out towels to the men's physical education classes.

Born in Wisconsin

Born in Wisconsin and raised in Seattle, Bergeson arrived on the SAC campus in 1937. One year later in 1938, the same year track coach John Ward came to Santa Ana, Bergeson took over as trainer and has been handing out towels ever since.

Asked to single out the finest football team he has seen at Santa Ana, Bergeson quickly named the 1940 Don squad. The 1940 team was in the Bill Cook era and utilized the single wing style of attack. "It was strictly power, power, and more power. I think that team could have beat a lot of university teams," emphasized Elmer.

Rates Luhnow High

Unable to single out one player as the best ever in Santa Ana College history, Bergeson ranked 1961 All American Keith Luhnow right along with the likes of Vic Lindskog and Al Carmichael.

Upon graduation from SAC, Lindskog starred at Stanford and for the professional Philadelhia Eagles. Lindskog is presently line coach for the Los Angeles Rams.

Carmichael performed for the 1949 Jr. Rose Bowl squad and later for USC. Carmichael also turned pro, playing for the Green Bay Packers and last year for the Denver Broncos of the AFL. Carmichael still holds the NFL record for the longest kick off return—105 yards.

Drastic Change

Having yet to play his first professional game for the San Francisco 49'ers, Luhnow was drafted at the conclusion of the 1961 season.

Athletics have undergone a drastic change during Bergeson's 24 year career at SAC. Santa Ana teams no longer practice at the YMCA and play basketball games in the Santa Ana High School gym. John Ward and Bill Cook no longer coach the entire SAC athletic program.

'Elmer's Boys'

Although athletics may have changed, the athletes haven't. They're still Elmer's boys. To many athletes, Elmer's loss will be like the loss of a father.

Santa Ana College without Elmer is like Castro without a beard or Paris without the Eiffel Tower—something will be missing.

No replacement has yet been named to succeed Elmer although he has been grooming assistant trainer Bob Hasenjaeger to fill his shoes. Hasenjaeger better have big feet.

Don Trackmen Run at Compto

Santa Ana's record-smashing mile relay foursome will take its final trip as a unit this year tomorrow night at the Compton Invitational.

Jack VanderKnyff, Barry Ellcoe, Jack Selman and John Middleton will be running. The team has a best of 3:15.6, a new SAC record. Last week the quartet finished fifth in the state in a disputed race.

Middleton placed third in the 440 and Jim Conlay was fourth in the two-mile as Santa Ana tied for 12th.

SAC students Larry Stuart and Johnny Gilbert will compete in their favorite events.
